August 18, 2021

Dear Instructor Candidate:

Thank you for your interest in participating in our BLS Instructors course. Please read the entire packet carefully in order to fully understand the process that will be followed. The information is provided to assure a smooth and informative course.

This instructor's course will be taught in accordance with the new 2020 Guidelines. Since most, if not all of you will not have taken a provider class with these new guidelines there will be some additional pre-course work that will need to be completed prior to the classroom session. This will assure everyone will at least be exposed to the new guidelines. Below is a list of what and how the self-study portion of the instructor process will be conducted.

Pre-Requisites:

- Current American Heart Association Basic Life Support CPR Provider card. The provider card must be either the 2015 or 2020 Guidelines
- Letter of sponsorship from a Community Training Center. (Instructor Application-form attached)
- Letter from the Training Center Coordinator stating he/she will coordinate the monitoring of your first class taught within 6 months of completion of instructors' course.

REMINDERS- The purpose of this course is to become an instructor. Successful completion of the instructor course will be according to the 2020 guidelines.

SCHEDULE- Class date for the instructor course will be Friday, September 24, 2021. The time will be 8:30 a.m. to 5:00 p.m. with registration and networking starting at 8:00 a.m. Please plan on arriving early so the instruction can begin and end on time. There will be a lunch break. The location of the course will be at [Health Educational Services, 36 Quail Run Circle, Suite 101 Salinas.](#)

The overall class will be done in three phases:

The first phase will be several mandatory online, self-paced, courses.

1. BLS Instructor Update and Product Orientation. See attached instruction sheet.
2. BLS Essentials Course. Course key will be issued upon registration. Completion time is approximately 2 hours.
3. Heartsaver Instructor Update
4. Heartsaver Product and Course Orientation

You will be required to bring all course completion certificates with you to the classroom for phase 2.

The second phase will be the classroom portion as scheduled above. And the third phase will be conducting a course while being successfully monitored within six (6) months of taking the classroom portion. **It is your responsibility to set up a class to be monitored.**

Course fee for the BLS Instructor only will be \$495.00.** A \$200 non-refundable deposit will be required at the time of registration. Registration deadline is Wednesday, September 15, 2021. You must register online and mail/fax the attached application by the deadline. If you have any questions, please feel free to contact my office at the number listed above.

To register click on the link below:

[**BLS Instructors Course 9-24-2021**](#)

** If you are taking more than one instructors course there is a tiered pricing structure. One discipline (BLS only) is \$495.00. Two disciplines (BLS and ACLS or PALS) is \$900.00, and all three disciplines (BLS, ACLS, PALS) is \$1200. Each discipline will require its own registration and discounts will be applied at time of registration.

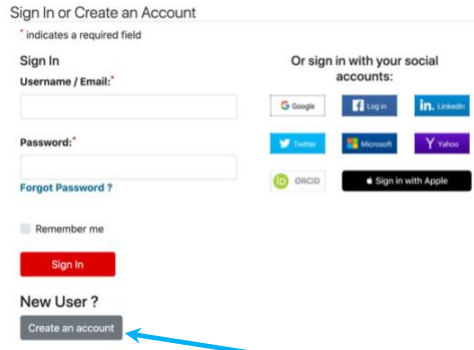

Yours Truly,

Howard Main

Course Director
